The Burlingame Cupola Refurbishment Project is complete!

Our Foundation, along with the City of Burlingame and the Burlingame Historical Society, worked together to raise the funds for this refurbishment. This cupola was atop Burlingame's first city hall constructed in 1914. Now you can find it at the entrance of Parking Lot J on Park Road behind the Apple Store.

BURLINGAME PARKS AND RECREATION PRESENTS

Our Mission

Burlingame Parks Forever bolsters city funding to provide the "special extras" that delight us everyday - chess tables, water refill stations, park benches, bicycle repair stations, court lighting.

Because we are a community that cares about all our neighbors, we help make all our programs accessible to everyone. We have funded over \$25,000 in scholarships for summer camps and programs in recent years.
